

# ARM LEADERS WITH THE SKILLS TO ACHIEVE THEIR GOALS

Strategic, evidence-based leadership development opportunities are imperative for strengthening a bench of talent capable of driving meaningful operational and organizational change and transforming the patient experience.

Leaders feel more engaged to help the organization succeed when they feel their organizations have invested in their development. We help healthcare organizations align their organizational goals, behaviors and processes to develop accountable leaders for today and tomorrow.

## CUSTOMIZE YOUR LEADERSHIP TRAINING OPPORTUNITIES

Focused leadership development opportunities are key to the success of your leaders. We help our client organizations across VA, DOD, and IHS develop strong leaders with:

**On-site Training Institutes**

**National Conferences**

**Coaching Partnerships**

## ON-SITE TRAINING INSTITUTES: LARGE-GROUP LEADERSHIP DEVELOPMENT

Drive organizational growth with curricula tailored to the needs of your organization, reach leaders at all levels, and create organization-wide urgency to execute changes.

### Examples of popular training topics include:

- Common Sense Communication, Uncommonly Used (and the Connection to the Patient Experience)
